

MINUTES FOR FIRST MEETING 15/10/2019:

People in attendance:

GEORGE COOK

MOHAMMED NAHID HUSSAIN RAIHAN

SINDISO MATTHEW SIBANDA

CAI SIDAWAY

NOAH STEBBINGS

HAO WU

Go away make some classes, generally

See what ideas we have on Friday

Separate these on Friday and then split them into UML and CRCs

Some attributes if needed

Think about Smart enemy bot, count, finding a path, coordinates.

And how we are going to design the Level Format File using text file or other means of representing it.
